Correction to: Inoculation of α-synuclein preformed fibrils into the mouse gastrointestinal tract induces Lewy body-like aggregates in the brainstem via the vagus nerve

Norihito Uemura[1*], Hisashi Yagi[2], Maiko T. Uemura[1], Yusuke Hatanaka[1], Hodaka Yamakado[1] and Ryosuke Takahashi[1*]

Correction to: Mol Neurodegener
https://doi.org/10.1186/s13024-018-0257-5

The original article [1] mistakenly omitted essential information regarding Fig. 1c; thus, the authors would like to note that Fig. 1c describes transmission electron microscopy of α-Syn PFFs **before** sonication.
